

The Nahant Preservation Trust is an all-volunteer, not-for-profit charitable corporation whose mission is to preserve our open spaces, historically significant properties, and our conservation lands for public and community benefit.

Our 2012 Goals:

- ◆ The Nahant Preservation Trust has made great strides in restoring the Nahant Life Saving Station on Short Beach. The Nahant Veterans Association is our lead tenant in their own space. The boat room opened last winter for meetings and social events.
- ◆ The Nahant Community Center hosts the Historical Society, Council on Aging, Boy and Girl Scouts. The Serenity Room is a beautiful space for meetings, classes, and social events. And for those looking for local office space, there are spaces for rent, which help support the operating expenses of the building.
- ◆ We will continue to be vigilant and active in the protection of the Nahant Country Club property, the largest remaining open space parcel in Nahant in private ownership.
- ◆ We will continue to work with other groups, to develop land-use planning tools and educational programs.

Naming Opportunities at NLSS & NCC *A great gift for those who have everything!*

We still have **Window Panes**, **Pavers** and a few **Doors** available at the Life Saving Station and **Bricks** on the Community Center walkway. Buy one for your kids, your pets, your parents, your best friend - and memorialize them for years to come.

Prices for the remaining **Naming Opportunities** range from \$50 to \$2500

We plan to do the NLSS Window Etching in early Summer 2012. This is your last chance for this affordable and unique memorial.
