Nahant Lifesaving Station Rental Information - March 1, 2019

Catering, Bartending and Waitstaff

The Nahant Life-Saving Station has partnered with a diverse list of local preferred caterers, who have made guarantees providing insurance and other protections that NPT needs. If you strongly wish to hire a caterer that does not appear on this list, NPT is prepared (if given enough time) to offer your caterer the opportunity to sign a catering contract with us. You are also able to hold an event that does not involve a caterer. (Updated July 21, 2016)

Locking In A Date

A date is not reserved until NPT receives payment in full for the rental fee.

To book a date at the Station, we need to receive from you:

1. Payment in full of the rental fee, including a \$250 security deposit
2. A hard copy of the event rental contract, completely filled out, every page initialed and signed on the first page

Procedures

A small band of dedicated unpaid volunteers has been working hard to make it possible for the Station to accommodate you. We have thought carefully to work out procedures to make for good events, and to do so in a way that a non-profit like NPT can sustain. The Station uses revenue to sustain its long-term maintenance, repair, gradual improvement (like a *red roof*, eventually), historic interpretation, wages, utilities, insurance, and its support of civic uses. We have an obligation to make a businesslike use of the Station’s ability to host events — so that the Station can be sustained in the long term. Our **Event Rental Contract** form reflects those procedures. These contract provisions are important to a successful event, and will call for your initials on each page.
